WESTCLIFF
UNIVERSITY
Educate. Inspire. Empower.

MESSAGE FROM THE PRESIDENT

Welcome to Westcliff University, where potential meets opportunity. You are reading these lines today because you made a powerful decision: you are seeking to join a community that doesn't just believe in education, but in transformation. **At Westcliff, we don't settle for the ordinary—we cultivate excellence, celebrate individuality, and challenge every student to rise above expectations.** Our innovative learning environment, fueled by real-world expertise and a passion for growth, will propel you toward a future you can be proud of.

Westcliff University is a place where you'll discover that **your ambition is met with unwavering support, your dreams are nurtured, and your aspirations are turned into action.** Every step you take with us will bring you closer to achieving greatness. Together, we will push boundaries, break new ground, and create a lasting impact. Welcome to a journey that will redefine your future—welcome to Westcliff University.

Anthony Lee, Ed.D., M.B.A.
President

Step into the future with Westcliff University's **College of Technology & Engineering**.

Our cutting-edge programs in STEM, computer science, and advanced technologies are crafted by industry experts to equip you with the skills and knowledge needed to become a digital architect of the global economy. With our innovative curriculum and experienced faculty, you'll be ready to lead in the ever-evolving world of technology.

Tech Coast Angels Partnership

As a sponsor of Tech Coast Angels (TCA), Westcliff University has established a cooperative relationship where students and alumni get to experience "angel investing" firsthand. Twice a month, during live, shark-tank-style screenings, TCA members get to vote on startup pitchings and select new investment opportunities.

“

I chose Westcliff University as it **aligns with my career goals**. I aspired to be a project manager and **the MSIT program is specifically curated for students** like me. The university has a reputable career services department that helps students attain their dream goals.

”

Asiya S.
MSIT Student

COLLEGE OF NURSING

At Westcliff University's **College of Nursing**, we don't just teach nursing—we shape the next generation of compassionate, highly skilled healthcare leaders. Our immersive, hands-on training prepares you for the fast-paced world of patient care, ensuring you're ready to make a real impact from day one.

BRN Approved.

Beautiful, brand-new campus in the heart of Corona!

[Tour our Corona Campus](#)

Located just off I-15 in Corona, Westcliff's large, bright, newly designed nursing campus is built for interactive, career-focused learning with cutting-edge simulation labs and modern study spaces.

Westcliff integrates ATI's Engage Series, a next-generation learning platform that replaces traditional textbooks with interactive, multimedia-rich coursework. Instead of reading static pages, **you'll engage with case studies, simulations, and real-world nursing scenarios**, helping you retain information more effectively.

A membership in the **National Student Nurses' Association (NSNA)** & **California Nursing Students' Associations (CNSA)** is included, offering leadership development and professional mentorship for a seamless transition into your career.

NCLEX Exam Prep starts on Day 1!

“ Westcliff University College of Nursing is introducing so many **new technologies**. Everything is **brand-new** and **state-of-the-art**. The faculty and staff here are just amazing and kind. Every time I had trouble learning a concept, they always made sure that it was a safe space to help me understand. We are even **preparing for the NCLEX on the very first day**. ”

COLLEGE OF LAW

PROGRAMS

- [Juris Doctor](#)
- [Master of Legal Studies](#)

Western State College of Law is the oldest law school in Orange County, California, and is fully ABA approved. Western State College of Law's 12,000+ alumni are well-represented across public and private sector legal practice areas, including over 150 judges and about 15% of Orange County's Deputy Public Defenders and District Attorneys.

Our dedicated faculty and staff provide personalized mentorship and connect you with a wealth of opportunities to develop your skills, build your resume, and find your legal niche. Whether through externships, Moot Court, or specialized certificates in special areas like family law, real estate, or criminal law, we prepare you not just for your first job, but for a lifelong career of impact and excellence.

Fully Approved

55+

Years of Providing
Quality Legal Education

Orange County's Longest Running Law School. Founded in 1966.

“

Western State provided **a community of professors, staff, and students** that are still a part of my life as a new solo attorney. Going to school at night allowed me to pursue my dream of becoming a lawyer, while also working during the day. I **attribute my success** to where I began, Western State, and encourage other students to join our powerful community.

”
