

**List of conference/forum involving government and/or NGOs to discuss SDGs topic**

Name	Description	Attendees
Washington International Education Conference	The Washington International Education Council believes that international education exchange plays a vital role in building bridges between cultures throughout the world. In increasingly uncertain times, direct communication between American and international higher education institutions and embassy officials, NGO leaders, and regional experts has never been more important.	U.S. government departments, embassy officials, international organizations, colleges, and universities join together to exchange objective information, share useful tactics, and engage others' perspectives in education.
CHEA Annual Conference & CIQG annual meeting	The Council for Higher Education Accreditation Annual Conference encourages meaningful conversations and discussions about issues that affect higher education, accreditation and quality assurances.	National and international thought leaders will share views on political and social concerns that drive "change" in higher education, a re-examination and perhaps a redesign of its operations.
CAPPS Legislative Policy Conference	The California Association of Private Postsecondary Schools (CAPPS) host annual conference to discuss legislative policies that impact private postsecondary schools	Higher Education government officials, executives from national and regional accreditation bodies, and private postsecondary schools
CAPPS California CEO Day	The California Association of Private Postsecondary Schools (CAPPS) conducts the California CEO Day event to encourage open discussions about core Federal and State regulatory issues from the C-Suite perspective.	State governor, state legislators and C-suite executives or equal operators from private postsecondary schools.

International Monetary Fund (IMF) and the Board of Governors of the World Bank Group (WBG) Annual Meeting	The Boards of Governors of the International Monetary Fund (IMF) and World Bank Group (WBG) normally meet once a year to discuss issues of global concern, including the world economic outlook, poverty eradication, economic development, and aid effectiveness	Central bankers, ministers of finance and development, private sector executives, representatives from civil society organizations and academics
Embracing the Chaos Conference	The Corona Virus situation forced every educational institution to change. This conference was conducted to encourage discussions around remote teaching as an alternative teaching approach.	Ministry of Education, Educational Institutions and Educators, local and global
International Entrepreneurship Forum	The International Entrepreneurship Forum bring together academia, entrepreneurs and government presentative to discuss the impact of sustainable entrepreneurship	Government representative, entrepreneurs and academia
